

Exodus FROM Darkness

"How can I understand unless someone helps me?"

Latest on the Ministry

My Australian visit has been exceptionally unique for having additional chances to talk to hundreds of Muslims and ex-Muslim converts in the four states of South Australia, Victoria, Western Australia and New South Wales. The reports are saying that the messages have paved the way for many to respond to the gospel. The same thing is happening through our media ministry in the Islamic world and many are coming to the Lord. Please pray for us and for our friend ministers and churches who are involved with the discipling of these converts so that every obstacle is removed and the churches, some underground, are established by these converts.

EFD's heartfelt appreciations go to all of you ministers and friends in Australia for your months of preparations, effort and prayers in arranging multiple meetings for raising funds for our Studio Reachout Projects. Your joyful commitments have caused us to give great thanks to God our loving heavenly Father!
